

## CUPID'S QUEST IN DOWNTOWN JOLIET

Cupid's been shopping in Downtown Joliet, but he needs your help. Each of his arrows had an item on his shopping list written on it, but he lost all his arrows! Join Cupid's Quest to find his arrows and help him figure out what he was shopping for before Valentine's Day is over. Print out this form and visit each of the stores between January 29<sup>th</sup> and February 14<sup>th</sup> to find the arrows and write down the items on each one. Email the completed form to [information@jolietchicago.com](mailto:information@jolietchicago.com) by February 19<sup>th</sup> and be entered into a drawing to win cool prizes. Multiple winners will be chosen (only one per family) and must be picked up at the City Center Partnership office in Downtown Joliet. Make sure to go in each store to check out their merchandise and/or services!

\*Each contestant will receive an additional entry if they email a photo of them enjoying Cupid's Quest in one of these stores. These photos may be publicly used by the City Center Partnership.
