The Details!

The Christmas Market will take place from 10 a.m. - 5 p.m. on November 30. Keep in mind the Joliet Tree Lighting will take place within walking distance at 5:15 and the parade will begin at 5:30 p.m. There will be no fee for visitors to enter the market.

Setup for the market begins at 8 a.m. There are stairs and an elevator to get to the second level. Vendors can choose one or two 8x12 booth(s). Each booth is \$80 and includes up to two 6' tables and table covers. Vendors may bring their own table covers. Vendors must remain until the conclusion of the show at 5 p.m.

Due to limited space, the North Pole Christmas Market is a juried event. Organizers will review each vendor application along with photos. Vendors with personalized, hand-crafted, and holiday themed items will be given preference. In an effort to allow for a variety of products to be available at the market, the organizers will limit the number of vendors selling particular items. Organizers have the right to remove items that were not in the application.

If accepted, **full payment is due by October 10th**. If payment has not been received by then, the vendor will be replaced by one on the waitlist. There will be no refunds for this event. If, for some reason, a vendor is unable to participate, they should notify the organizers immediately to give another vendor the opportunity. PayPal can be used for payment; however, a 3.6% processing fee will be included.

*As an additional perk, our food and beverage sponsor Arkas Restaurant Group will provide vendors a free lunch (likely sandwiches and chips). Thank you for applying to be a vendor for the Christmas Market! Any questions can be directed to Vicki Sanchez at vicki.sanchez@jolietdowntown.com.
